

PLEASE JOIN US FOR A CLINICAL AND MEDICAL AFFAIRS PROCEDURAL CADAVER LAB

Teleflex is proud to invite you to a Procedural Cadaver Lab. Participants will enhance their understanding using multiple learning modalities including didactic and hands-on practice on cadaveric specimens and simulations aids.

Case study and patient care scenarios are designed to provide attendees with an opportunity to apply the program content to simulated clinical practice. The content is designed to provide attendees with the information necessary to make well informed decisions regarding optimal patient care.

WHEN

June 8, 2017

EZ-IO ® Track begins at 8:15am and the last session begins at 4:15pm

Airway Management Track begins at 8:00am and the last session begins at 4:00pm

Please allow 1.5 hours to complete the EZ-IO ® Track and 1.0 to complete the Airway Management Track

You may attend both and register using the same registration link.
